

July 9, 2009

Dear Pease International Tradeport Tenant:

TAP  
MEMBER DISCOUNT

Tenants Association at Pease (TAP) is pleased to introduce our Member Discount Program for 2009.

All members of TAP **who have paid their annual membership fee** are eligible to take advantage of the savings offered through the TAP Member Discount Program. A supply of discount cards is enclosed with this letter for current TAP members. These cards can be distributed to employees individually or, alternatively, a "Supervisor's" card can be kept and shared by employees as needed. There is a space indicated on the back of the card where each individual or the supervisor, if it will be a shared card, should sign & print their name along with the company name. Employees should be prepared to present this card when taking advantage of the discounts.

If your company is not yet a member and you would like to join TAP and receive a supply of the Discount Cards please find a Membership Application attached or visit our website at [tenantsassociationatpease.org](http://tenantsassociationatpease.org) and learn more about us! Our **TAP bi-monthly E-newsletter** is delivered via email every other Monday morning with news of upcoming events and happenings on the Tradeport. Please provide us with your email address and we'd be happy to add you as a recipient of our newsletter.

Please feel free to contact me if you have any concerns or require additional cards for your employees at 603-430-9675, ext. 115 or by email at [cindy.clark@hcahealthcare.com](mailto:cindy.clark@hcahealthcare.com)

Sincerely,

Cindy L. Clark  
President

See reverse side for list of participating businesses
